Mr. Butler,

ORS would like to request that a status conference be scheduled in this case for next Tuesday morning, November 19th. We would like to recommend 9:00am EST as a time for the conference. There are a number of items which we believe need to be coordinated with the Commission and the other parties to this case prior to the hearing on November 26th to include the order of witnesses, verification of stipulated testimony, and the configuration of witness panels and the courtroom as well as any other pre-hearing issues. ORS will be happy to meet with you at the Commission's office for this conference but we also realize that several of the parties will need to join the conference via telephone. Please contact myself and the other parties with any questions regarding this request.
